NEW!

Rodeo USB & Luxury Keepsake Box

These gorgeous Luxury Keepsake Boxes are the latest addition to our packaging range, and we've created the ideal duo with the leather Rodeo USB. The box boasts ample space to house not only the USB but 10 x 8 " prints too. The Rodeo USB features soft textured leather encapsulated in polished chrome. With a choice of black or white, the Rodeo supports full colour printing and can handle detailed logos.

Woodland USB & Photo Slide Box

Our Photo Slide Boxes are perfect for showcasing digital images alongside traditional prints. The boxes come in a square or rectangle shape and work fantastically well with the Woodland USB. Each box comes filled with FSC certified wood wool for that rustic look and can be printed or engraved with your logo.

Available with space to present either 6 x 4 " or 5 x 7 " prints.

What our customers say

"Amazing quality and service. I keep coming back to USB2U because no one else can beat their quality. And believe me, I have looked around."

Espinal Photography

"Fantastic customer service from start to finish. From first contact to the product arriving, faultless. I will be using USB2U again."

Dan Akerman

"Excellent communication, didn't start production until I was 100% happy. Absolutely love my engraved USB sticks and boxes & so will my clients."

Tracy Ellis Photography

"USB2U provided a high standard of customer service, as well as an excellent product! I would most definitely recommend these guys."

Surindera Studios

"Just received my order of the wooden flip box with USB memory stick, both engraved, and I am very pleased with this product. It looks fab, thank you."

Michelle Kemp

"I have used USB2U a few times over the years for my photography business. Great product and a great service. I thoroughly recommend them."
