

PXK Car App

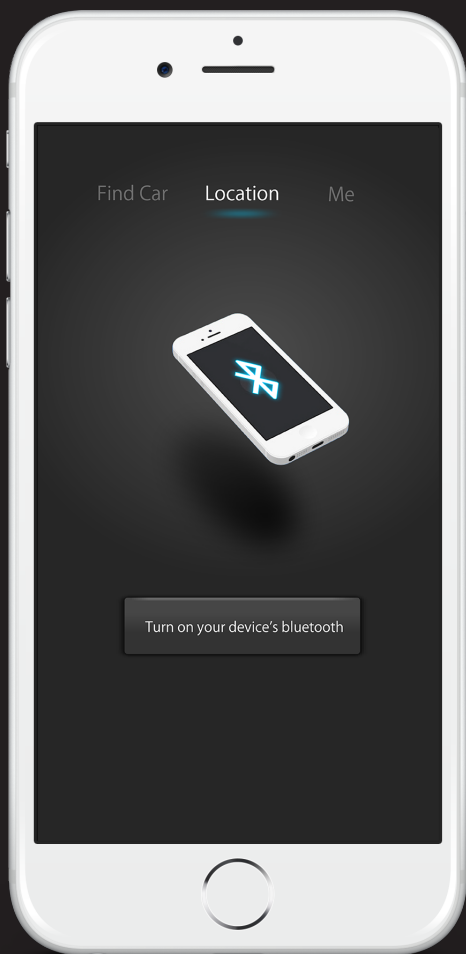

Quickstart guide

Available on the
App Store

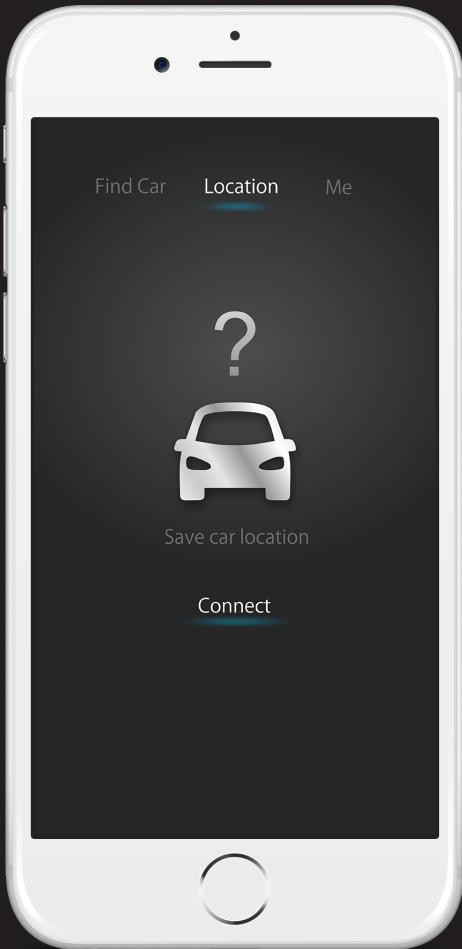

GET IT ON
Google play

1. Connect the Smart Car Charger

Turn on your device's bluetooth.
The App will locate the Smart Car
Charger and automatically connect.

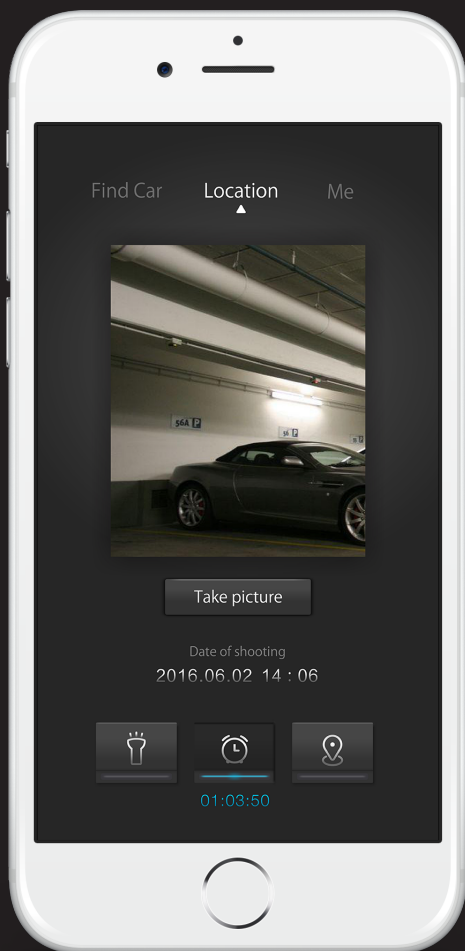

2. Save your parking position

Whenever you park your car, the App will automatically save your car's location.

3. Set a parking timer

Say goodbye to parking tickets! Use the alarm feature to let you know when your parking is about to run out.

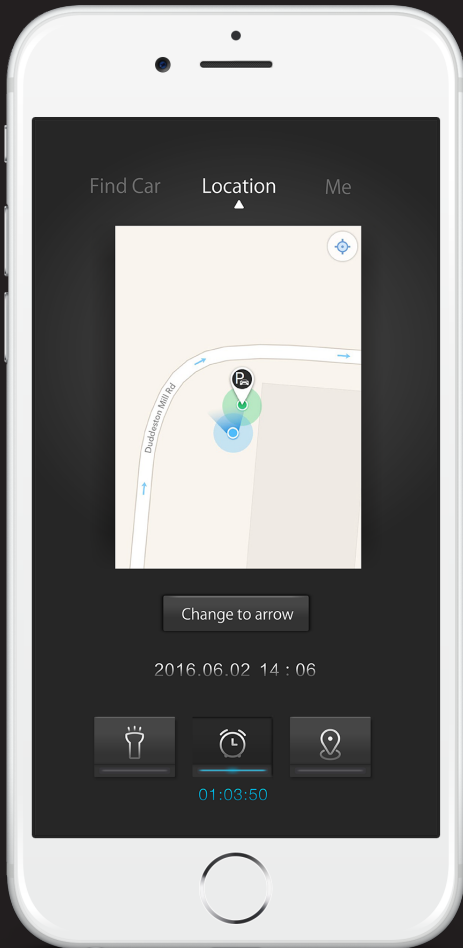

4. Take a picture

To memorize the location of your vehicle when in a multi-storey car park.

5. Find your car

The arrow function on the App allows you to accurately measure the distance between you and the car.

6. Follow with Arrow & Map

Follow the arrow and/or map to successfully find your car.

7. Car found

The App will indicate «HERE» when your car is close by and within sight.
